ABOUT ME

- Developed and designed a web application working as an organiser using ASP.NET framework paired with Swagger and Docker;
- Created a Telegram messenger bot with PostgreSQL relational database;
- Experienced in using such monitoring tools as Prometheus and Alertmanager.

SOFTWARE SKILLS

Programming languages

C, C++, C#, Python, Rust

Web development

ASP.NET, PostgreSQL, Swagger

Tools

Git, Nginx, Prometheus, Figma, Docker

WORK EXPERIENCE

[11/2022 – Current]

Software developer trainee

Cyrillica.Lab   https://cyrillica.ru/cyrillica.lab.html

City: Moscow
Country: Russia
Email address: lab@cyrillica.ru

Cyrillica.Lab is dedicated to the research and practice of visual and audio content processing and business process optimization. It creates software products and services for both internal and external customers that help our customers reduce costs, improve content quality and reduce production time. I am currently working on creating a plugin to convert between different subtitle formats for the professional Subtitle Edit software.

[08/2022 – 08/2022]

Backend developer trainee

Qoollo   http://qoollo.com/

City: Moscow
Country: Russia
Email address: hr@qoollo.com

The "Qoollo" developer team specialises at such IT projects as big data, data mining & data science. My mission as a backend developer was to create a bot on the platform of the popular messenger "Telegram". This Telegram bot would have been designed to create game polls, manage users and groups.

[07/2022 – 07/2022]

Backend developer trainee

Easyguest   https://www.easyguest.ru/

City: Moscow

Country: Russia

The "Easyguest" company offers a service of daily rent of apartments and hotel reservations. I was there at the position of a backend developer coding and building the digital platform of a website and database infrastructure.

EDUCATION AND TRAINING

[01/09/2019 – Current]

Higher education

Bauman Moscow State Technical University https://bmstu.ru/

City: Moscow

Country: Russia

Thesis: Method of Indoor Mapping Based on Visual Odometry
- Faculty of Informatics and Computer Systems
- Department of Computer Software and Information Technology

[01/09/2008 – 20/06/2019]

Secondary education

State Budgetary Educational Organization of Moscow "School 1504" https://gym1504.mskobr.ru/

City: Moscow

Country: Russia

PUBLICATIONS

[2023] **Indoor Orientation and Mapping Techniques**

During the writing of my final qualifying work I took part in the conference "Student Scientific Spring", where I gave an abstract of the report "Indoor Orientation and Mapping Techniques".

LANGUAGE SKILLS

Mother tongue(s): Russian

Other language(s):

English

LISTENING B2 **READING** B2 **WRITING** B2

SPOKEN PRODUCTION B2 **SPOKEN INTERACTION** B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

COMMUNICATION AND INTERPERSONAL SKILLS

Communication

Through my academic and professional experience, I learned how to communicate with a wide variety of people, learned how to manage different IT projects and teams, personnel, customers, and colleagues. I am always open to new acquaintances and business contacts.

Organisation

Thanks to four years of study in the university I am a stress-resistant person, so it is easy for me to meet deadlines and adapt quickly to new requirements.

Travel

I enjoy travelling and have visited many countries all over the world such as Hungary, Germany, Belgium, Italy, the UK, Spain, Portugal. I also visited a lot of beautiful and attractive cities in my own country: Saint Petersburg, Suzdal, Tula. The northern capital of Russia is my favourite one.
